[ x ] Required and attached to this report (attached hereto as Exhibit G) [ ] Not required - Disclosures covered in this report.

**Summary of Changes from Earlier Public Reports:**

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

[ x ] No prior reports have been issued by the developer.

[ ] Changes made are as follows:

**SPECIAL NOTICE:**

THIS IS A CONDOMINIUM PROJECT, NOT A SUBDIVISION. There are County restrictions on the number of dwelling units, or other structures, which may be built upon the property. Therefore, unless the purchaser is purchasing an existing dwelling, there is no assurance that the purchaser will be able to build a dwelling unit on the property. There also is no assurance that the purchaser will be able to convert an existing non-residential structure to residential use. The purchaser should consult with the appropriate County agencies to determine whether the purchaser may build a dwelling unit, or any other type of structure.

1. There are presently two residential structures on the project and an additional building containing a storage area.
2. Issuance of an effective date for this Public Report does not constitute an approval of the project by the Real Estate Commission, or any other governmental agency, nor does it imply that all County codes, ordinances and subdivision requirements have been complied with.
3. This project does not involve the sale of individual subdivided lots. The land area beneath and immediately adjacent to each unit, as shown on the Condominium Map, is designated as a limited common element for that unit and does not represent a legally subdivided lot. The dotted or dash lines on the Condominium Map generally represent the location of the limited common element or easements assigned to each unit.
4. Facilities and improvements normally associated with County approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for and services such as County street maintenance and trash collection will not be available for interior roads and driveways.

THIS PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common Elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

## II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

☐ Proposed

☒ Recorded - Bureau of Conveyances: Document No. 2004-047854

Book \_\_\_\_\_ Page \_\_\_\_\_

☐ Filed - Land Court: Document No. \_\_\_\_\_

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

☐ Filed - Land Court Condo Map No. \_\_\_\_\_

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

☐ Proposed

☒ Recorded - Bureau of Conveyances: Document No. 2004-047855

Book \_\_\_\_\_ Page \_\_\_\_\_

☐ Filed - Land Court: Document No. \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

☐ Proposed                      ☒ Adopted                      ☐ Developer does not plan to adopt House Rules  
(a summary of which is attached hereto as Exhibit I)

E. **Changes to Condominium Documents.** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interests which must vote for or give written consent to changes:

#### **IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

Upon construction of each permanent improvement, an amendment to the Declaration of Condominium Property Regime will be required to disclose actual improvements as a matter of public record.

**Apartments Designated for Owner-Occupants Only:**

Fifty percent (50%) of **residential** apartments must be so designated; developer has a right to substitute similar apartments for those apartments already designated. This project does not qualify therefor. Developer does not have to provide this information either in a published announcement or advertisement as required by Section 514A-102, HRS; or include the information here in this public report and in the announcement. Developer has elected not to provide the information in a published announcement or advertisement.

10. Condition and Expected Useful Life of Structural Components, Mechanical, and Electrical Installations  
(For conversions of residential apartments in existence for at least five years):

Based on the Architect's Condition Report dated February 25, 2004 prepared by Ian K. Costa, Registered Professional Architect, No. 6423, the Developer states that the structural components, mechanical and electrical installations of structures located on Units 1 and 2 appear to be in satisfactory condition for the stated age thereof and appear to be in satisfactory condition for their ages. The structures and related systems and components have an expected useful life of approximately 32 years for Unit 1, approximately 30 years for the residential structure on Unit 2, and approximately 32 years for the storage structure on Unit 2.

11. Conformance to Present Zoning Code

- a.     ☒     No variances to zoning code have been granted.  
       ☐     Variance(s) to zoning code was/were granted as follows:

b.     Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawfully at one time but which does not now conform to present zoning requirements:

	Conforming	Non-Conforming	Illegal
Uses	<u>     X     </u>	<u>          </u>	<u>          </u>
Structures	<u>     X     </u>	<u>          </u>	<u>          </u>
Lot	<u>     X     </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D.     Common Elements, Limited Common Elements, Common Interests:

1.     Common Elements. Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

- ☒     described in Exhibit      E     .  
☐     as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

☐ There are no limited common elements in this project.

☒ The limited common elements and the apartments which use them, as described in the Declaration, are:

☒ described in Exhibit E.

☐ as follows:

3. Common Interests: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interests." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

☒ described in Exhibit C.

☐ as follows:

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property on or your purchase and ownership of an apartment in the project.

Exhibit F describes the encumbrances against the title contained in the title report dated March 16, 2004 and issued by Title Guaranty of Hawaii, Inc.

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

☒ There are no blanket liens affecting title to the individual apartments.

☐ There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
---------------------	---

N/A

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements: None

2. Appliances: None

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Unit 1 was completed in 1986.

Unit 2 has two buildings. Building 1 is the residence and was completed in 1984. Building 2 is a storage room and was completed in 1984.

H. **Project Phases:**

The developer ☐ has ☒ has not reserved the right to add to, merge, or phase this condominium.

#### IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

**Initial Condominium Managing Agent:** When the developer or the developer's affiliated is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report is:

☐ not affiliated with the Developer ☐ the Developer or the Developer's affiliate.  
☒ self-managed by the Association of Apartment Owners ☐ other \_\_\_\_\_

- B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit \_\_\_\_\_ H \_\_\_\_\_ contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

- C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

### B. Buyer's Right to Cancel Sales Contract:

#### 1. Rights Under the Condominium Property Act (Chapter 514A, HRS):

Preliminary Report: Sales made by the developer are not binding on the prospective buyer. Sales made by the developer may be binding on the developer unless the developer clearly states in the sales contract that sales are not binding. A prospective buyer who cancels the sales contract is entitled to a refund of all moneys paid, less any escrow cancellation fee up to \$250.00.

Supplementary Report to a Preliminary Report: Same as for Preliminary Report.

Final Report or Supplementary Report to a Final Report: Sales made by the developer are binding if:

- A) The developer delivers to the buyer a copy of:
  - 1) Either the Final Public Report OR the Supplementary Public Report which has superseded the Final Public Report for which an effective date has been issued by the Real Estate Commission; AND
  - 2) Any other public report issued by the developer prior to the date of delivery, if the report was not previously delivered to the buyer and if the report has not been superseded;
- B) The buyer is given an opportunity to read the report(s); AND
- C) One of the following has occurred:
  - 1) The buyer has signed a receipt for the report(s) and waived the right to cancel; or
  - 2) Thirty (30) days have passed from the time the report(s) were delivered to the buyer; or
  - 3) The apartment is conveyed to the buyer within 30 days from the date the report(s) were delivered to the buyer.

Material Change: Binding contracts with the Developer may be rescinded by the buyer if:

- A) There is a material change in the project which directly, substantially, and adversely affects (1) the use or value of the buyer's apartment or its limited common elements; or (2) the amenities available for buyer's use; AND
- B) The buyer has not waived the right to rescind.

If the buyer rescinds a binding sales contract because there has been a material change, the buyer is entitled to a full and prompt refund of any moneys the buyer paid.

2. Rights Under the Sales Contract: Before signing the sales contract, prospective buyers should ask to see and carefully review all the documents relating to the project. If these documents are not in final form, the buyer should ask to see the most recent draft. These include but are not limited to the:
- A) Condominium Public Reports issued by the developer which have been given an effective date by the Hawaii Real Estate Commission.
  - B) Declaration of Condominium Property Regime, as amended.
  - C) Bylaws of the Association of Apartment Owners, as amended.
  - D) House Rules, if any.
  - E) Condominium Map, as amended.
  - F) Escrow Agreement.
  - G) Hawaii's Condominium Property Act (Chapter 514A, HRS, as amended) and Hawaii Administrative Rules, (Chapter 16-107, adopted by the Real Estate Commission, as amended).
  - H) Other Declaration of Protective Covenants and House Rules

Copies of the condominium and sales documents and amendments made by the developer are available for review through the developer or through the developer's sales agent, if any. The Condominium Property Regime law (Chapter 514A, HRS) and the Administrative Rules (Chapter 107) are available online. Please refer to the following:

C. **Additional Information Not Covered Above:**

This is a condominium project, not a subdivision. Units purchased are not on subdivided lots. To determine whether your expectations can be realized, you should carefully review the contents of this Report, especially the Exhibit to this report which is a summary of the recorded restrictive covenants for the subdivision within which this project is located. Among other things, the restrictive covenants govern land use, building type and materials, possession of animals, and cultivation of crops. You should also conduct your own investigations and ascertain the validity of information provided.

Residential improvements are located on Units 1 and 2 of the project. These can be replaced by or remodeled as allowed by law and project documents. The prospective purchaser shall have the right to undertake such work at purchaser's expense. The purchaser shall also, in such event, file the "as-built" certificate within thirty days of completion of the residence in conformance with Section 514A-12, Hawaii Revised Statutes, and record an amendment of the Declaration of Condominium Property Regime ("Declaration") to describe the residence. The County of Kauai Planning Department, in order to process the necessary permits for the construction of any other structure, requires authorization from at least 75% of the legal and equitable ownership of the entire project, consistent with the Declaration and the Bylaws ("condominium documents").

Except as limited specifically by the condominium documents and subdivision restrictive covenants, all uses permitted in the residential zone are permitted. Uses in one zone are not the same as in the other, and the prospective purchaser should consult the appropriate county agency for information on uses and construction in the respective zones.

A buyer should understand that all development and use of the property shall be in compliance with County codes and ordinances, that owners in this condominium project will not necessarily receive the same County benefits as owners of approved subdivided lots, and that owners who develop their limited common element later than others may find that land use and zoning changes or insufficient utility capacities may thwart their expectations.

The property that is part of this condominium project is subject to a "Declaration of Restrictions" (declaration) recorded as Liber 7189 page 177 and dated September 15, 1970. Paragraph 5 of this declaration states that "There shall be no re-subdivision of any lot, and only one single family dwelling shall be constructed on any lot." This restriction is contrary to the general use of the property by surrounding landowners and Kauai County Comprehensive Zoning Ordinance, § 8-26.2 that allows two single-family dwellings on the property. In addition, the developer obtained the affidavit of Jean U. Travaso ( a copy of which is attached as Exhibit K of this public report) who states that the County approved the construction of the second home upon submission of signatures of land owners within the subdivision allowing construction.

The declaration of restrictions, at paragraph 3, states that "each dwelling constructed on any lot shall contain not less than 1,000 square feet of floor area, exclusive of carports, porte-cochere or lanai, roofed or open." Unit 2 complies with this requirement. Unit 1 contains less than 1,000 square feet of floor area. As stated previously, however, the developer determined from the prior owner (see Exhibit K) that County permits were issued for the construction of the structure on Unit 1. The developer is aware of no complaints from any adjacent property owner concerning the size of the structure on Unit 1.

The declaration of restrictions, paragraph 8, and the 1970 Deed, at paragraph 5, restrict construction within 25 and 30 feet respectively of Kuamoo Road. The dwelling on Unit 1 is constructed within those set back requirements.

The developer, to the best of his knowledge, does not believe that the County retained records of the permits associated with either the dwelling on Unit 1 or Unit 2.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

### **SUMMARY OF PORTIONS OF ESCROW AGREEMENT**

The Escrow Agreement ("Agreement") between TITLE GUARANTY ESCROW SERVICES, INC. ("Escrow"), and DJT HOLDINGS, LLC, a Hawaii limited liability company ("Seller"), contains, among other provisions, the following (which may be modified or otherwise limited by provisions not summarized):

1. Whenever Seller enters into a sales contract for the sale of an apartment, Seller will require that payments due under the sales contract be made to Escrow and will deliver an executed copy of the sales contract to Escrow.
2. Escrow will receive payments under the sales contract and sums received from any other source with respect to the project. Funds held under the Agreement will initially be deposited in an account for the project. Interest on all funds will be paid to Seller.
3. 4. Escrow will return deposited sums to the Buyer without interest if Seller and Buyer give Escrow written notice to return the funds to Buyer, if there is a right to cancellation and refund of monies under the sales contract or otherwise. If there is a cancellation under the seven-day right, no fees will be charged Buyer. Thereafter, in the event of a cancellation as a matter of agreement or right, Buyer's funds shall be returned to Buyer less Escrow's cancellation fee, if any, and all other costs incurred in connection with the Escrow, not less than \$25.00.

Escrow will record all applicable documents. The cost of title insurance will be an additional amount, based upon schedule rate.

7. If Seller subsequently certifies in writing to Escrow that Seller has terminated the sales contract in accordance with the terms thereof, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Seller and not as funds of the purchaser. 7. This project includes existing structures being converted to condominium ownership.
8. The property that is part of this condominium project is subject to a "Declaration of Restrictions" (declaration) recorded as Liber 7189 page 177 and dated September 15, 1970. Paragraph 5 of this declaration states that "There shall be no re-subdivision of any lot, and only one single family dwelling shall be constructed on any lot." This restriction is contrary to the general use of the property by surrounding landowners and Kauai County Comprehensive Zoning Ordinance, § 8-26.2 that allows two single-family dwellings on the property. In addition, the developer obtained the affidavit of Jean U. Travaso ( a copy of which is attached as Exhibit K of this public report) who states that the County approved the construction of the second home upon submission of signatures of land owners within the subdivision allowing construction.

The declaration of restrictions, at paragraph 3, states that "each dwelling constructed on any lot shall contain not less than 1,000 square feet of floor area, exclusive of carports, porte-cochere or lanai, roofed or open." Unit 2 complies with this requirement. Unit 1 contains less than 1,000 square feet of floor area. As stated previously, however, the developer determined from the prior owner (see Exhibit K) that County permits were issued for the construction of the structure on Unit 1. The developer is aware of no complaints from any adjacent property owner concerning the size of the structure on Unit 1.

The declaration of restrictions, paragraph 8, and the 1960 Deed, at paragraph 5, restrict construction within 25 and 30 feet respectively of Kuamoo Road. The dwelling on Unit 1 is constructed within those set back requirements.

The developer, to the best of his knowledge, does not believe that the County retained records of the permits associated with either the dwelling on Unit 1 or Unit 2.

In witness whereof, the developer has executed this Disclosure Abstract this 19th day of April, 2004.

AFFIDAVIT OF JEAN U. TRAVASO

STATE OF HAWAII       )  
                                  ) SS:  
COUNTY OF KAUAI     )

I, JEAN U. TRAVASO, being first duly sworn on oath, depose and say that:

1. I am a resident of the Island and County of Kauai, State of Hawaii and make this Affidavit based on personal knowledge.
2. On or about 1980 or 1981, I purchased the property located at 5773 Kuamoo Road, further identified as Tax Map Key No. (4) 4-2-009-056, Lot 1, hereinafter referred to as the Kuamoo property. I lived at this residence for approximately ten (10) years.
3. During the time I lived at the Kuamoo property, I wanted to build an additional dwelling unit on the Kuamoo property.
4. Building additional dwelling units was prohibited by covenants and restrictions that effected the Kuamoo property.
5. I was advised to prepare a document for our neighbors stating that they had no objection to the construction of an additional dwelling unit on the Kuamoo property.
6. I obtained signatures of most of the property owners in our subdivision and presented the document to the County who then issued a building permit for the second residence on the Kuamoo property.
7. I no longer have our records, including the document signed by our neighbors, because those records were destroyed during Hurricane Iniki.
8. Based on the document signed by our neighbors, I built a second home on the Kuamoo property in approximately 1983 or 1984.

Further Affiant Sayeth Naught.
